**Highlights of the CRL**

Hiring of a third student with a different focus as Community Outreach Assistant is working well. All the students are hardworking, able to take on projects on their own, and a pleasure to mentor. Their contributions to summer programming are excellent. Swift Current has added five hours to their open hours, returning to close to former hours preCovid. Many CRL employees have been taking vacation time, including the Director and Financial Manager.

**Staffing & Professional Development:**

Staffing update: Gianne Amado joined CRL as our Community Outreach Assistant under the Young Canada Works program. Her focus is on updating the website and social media. She also fills in for programs when other students are not available. Gia has been attending programs to understand the format of each and to take pictures for her posts online.

**Programming and Advocacy:**

**Families in the Park Week 1: *Colour with Wigandt***

*Weather Changed to first program to indoors but the second went back to the Kinsman Park.*

**Week 3: *Once Upon a Time***

The rest of Summer Programming at Swift Current is planned and being enjoyed. Both Storytimes and Makerspace programs are being enjoyed. Pictures from the Science Center visit.

**Support/Services:**

Featured as branches of the month are Frontier and Climax Libraries who shared an entry in the July 1<sup>st</sup> Canada Parade at Climax.

Carmen Andrejcin, Branch Librarian at Frontier shared pictures from their Summer Reading Program: Paper Crown Craft for Ages 2-7.
